

# E2E Council

E2E members are invited to participate in monthly Council meetings.

Council members are advocates for the goals of the Council and provide advice and insight on achieving the initiatives of the Council.

Council members are also actively involved in E2E conferences, events and other initiatives.

## E2E Partners

Educational attainment is one of the biggest predictors of a community's success. Only one organization, **Education to Employment Partners (E2E)**, is dedicated to building our region's workforce by providing quality programming to ensure college and career readiness for all Coastal Bend students. Through strong partnerships among business leaders, community members, educators, parents, and students that bridge the gap between education and employment, our region will thrive and achieve long-term economic benefits.

*Make education a priority by supporting...*

- Students and families preparing for postsecondary education and career success.
- Educators receiving professional development to excite students about local careers.
- Business and community leaders committed to preparing an educated and skilled workforce.

## E2E Commitment

- Students will graduate from high school informed, inspired, and prepared for postsecondary education and careers.
- Coastal Bend students, families, organizations and businesses will collaborate on and promote educational success resulting in a thriving economy.
